EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the title, delete: "and a method for fabricating the semiconductor wafer".

In the ABSTRACT,

- delete the title (first two lines after the heading);
- the last line;
- all the parenthetical number in all lines.

The following is an examiner's statement of reasons for allowance: None of the references of record teaches or suggests the claimed semiconductor wafer including at least one electrode carried on the second surface of each pedestal for co-operating with the corresponding micro-machined component, a plurality of electrically conductive addressing tracks on one of the first and the intermediate surfaces of the support substrate for carrying address signals to be conducted to the respective electrodes, and an electrical conductor corresponding to each electrode extending through a corresponding via through the corresponding pedestal from the electrode to a

corresponding one of the addressing tracks on the support substrate for conducting the corresponding address signal to the corresponding electrode.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tuan H. Nguyen whose telephone number is 571-272-1694. The examiner can normally be reached on 9AM-5:30PM.
